

Apply for EHC in 4 Easy Steps!

Step 1

Contact CAS to receive an independent assessment to determine your eligibility.

Step 2

Provide all requested documents and complete all scheduled appointments, as required by the Waiver Program.

Step 3

Once you have been determined eligible for waiver services, you qualify for assistance through the EHC Program offered by CAS Home Health Care Inc.

Step 4

Contact CAS and ask our Intake Department how you can move forward with receiving services.

The CAS Mission

Our organization was built with families in mind and in heart. We are committed to providing high quality home health care, treatment, and education to patients living with physical and/or medical disabilities and their families. We assist people so they remain independent in their homes. Our services reduce and/or eliminate the need for hospitalization or other institutional care by providing exceptional care at home via a family member, friend or highly qualified CAS team member.

Emergency Home Care Program

CAS Home Health Care, Inc is an equal opportunity employer, service provider, and organization.

What is the EHC Program?

CAS' Emergency Home Care Program (EHC) is designed to provide temporary home care services for people waiting to be enrolled with a committed home care agency. We provide free Personal Assistance Services (PAS) up to 2 hours per day, 3 times per week, for no more than 2 weeks. Our program allows you to:

- ✓ Get enrolled with us quickly to reduce health risks
- ✓ Receive services at little to no out of pocket cost
- ✓ Obtain nutritional & medical consultation for you and your family
- ✓ Have 24/7 access to a skilled team of home health professionals

Our Other Services

CAS Home Health Care professionals are specially trained to deliver high-quality care to patients that helps them recover and regain their strength, health, and independence. Some of our specialties include:

- ✓ Medication Education
- ✓ Physical & Occupational Therapy
- ✓ Meal Prep & Nutritional Cooking
- ✓ Patient/Caregiver Training
- ✓ Home Health Aides (HHAs)
- ✓ Fall/Accident Prevention
- ✓ Licensed Practical Nurses (LPNs)

Powered by and for the Community

Our organization is a community center that values connecting individuals with their local neighborhood. There is no obligation to remain with our agency for those enrolled in our EHC Program after services end. We believe in providing our EHC services at little to no out of pocket cost in order to help those in need.
