

WHY JOIN CAS?

As a family oriented organization, CAS strives to support our employees as much as our patients and community. Connecting individuals with their local neighborhood and resources also means providing promising career opportunities.

We are committed to building a workplace where hard work and excellent conduct are encouraged, acknowledged and awarded. CAS isn't just a job; it's a career, one that you'll be proud of.

“CAS is where excellence thrives. We always value compassion and dedication to ensure an outstanding work environment.”

SEAN WILLIAMS
CEO

Operating as a community center for over 18 years, CAS prides itself and values its role as a means to connecting community residents to available resources throughout the Philadelphia region.

CAS PERKS

CAS Resources doesn't come without its perks. With a competitive job market, CAS is devoted to ensuring that our employees get the most out of their careers. We offer the following incentives:

- ✓ Competitive wage
- ✓ Weekly pay
- ✓ Direct Deposit
- ✓ "Same Day Pay" to cover call-outs.
- ✓ Training & education (onsite equipment guidance, free onsite CPR training, etc)
- ✓ Paid selective federal holidays (time & a half)
- ✓ Paid sick time
- ✓ Paid overtime (time & a half)
- Close proximity to patient cases (medical team)
- ✓ Flexible schedule with 24/7 support
- ✓ Career & professionalism building skills
- ✓ Empowering employee evaluations and potential raises
- ✓ And much more!

Our Medical Team

Whether you've worked with other organizations or are just starting out; you haven't had the CAS experience. Given the vast amount and caliber of skills required for the duties being performed, CAS offers extensive teaching and guidance geared toward growth and development.

Technical Education

You'll enhance your abilities through certified courses, specialized in-services, technical overview of equipment, and more.

Professional Development

CAS also offers effective professional development which allows our team members to assess and maintain their credentials and accolades while keeping opportunities open to obtain others.

Full Range of Positions

We're looking for Home Attendants, Direct Care Workers, Personal Care Assistants, Home Health Aides, Certified Nursing Assistants, Licensed Practical Nurses, and Registered Nurses. There are opportunities to grow from each position!

Office Team

As *the* specialist in bringing people together, CAS prides itself in its superb operations at our headquarters. You can expect nothing other than the utmost professionalism and friendly work environment. We value work life balance, department cooperation, efficiency, diversity, and positivity.

- ✓ Structure, checks & balances, and teamwork are all at the foundation of our daily operations to guarantee a productive and stress free workplace.
- ✓ CAS is a culture. We're always creating better ways for our staff to enjoy the workplace. Company lunches, holiday parties, and more make work feel like home.
- ✓ Expanding Network. CAS is continually growing into its better self. As a newly developed resource center, we're continuously looking to expand departments and bring in new projects.
